Helping students be the best  
they can be.  
It's easy to see how.

As a parent, you'll do whatever it takes to help your child achieve post-secondary and career goals. School is Easy tutoring (SIE) offers what many schools can no longer provide: personalized, one-on-one programs that give learners what they need to succeed.

As a leader in the Canadian tutoring network, we've been empowering K-12 students for 16+ years.

### **The SIE difference.**

**Convenience:** Our tutors make learning comfortable...in the comfort of your home.

**Professional level tutoring:** As one of the few tutoring companies to employ only qualified teachers with a background in teaching.

**The perfect match:** Not all students learn in the same way. Choosing a tutor who can tailor learning to a student's needs is key to success. 98% of SIE teacher to student matches receive excellent feedback.
